Our File No. 801815

Dear Judge Scheindlin:

Defendants recently learned at plaintiff's deposition on April 2, 2008, that there was a witness to the accident. This information was not previously provided to us in plaintiff's discovery responses or Rule 26 Disclosures. Moreover, it was not included on the police report. Defendants herein request an additional 30 days time to obtain the witness' contact information and conduct his discovery deposition in this matter. Therefore, with our adversary's consent, we request that the deadlines be extended as follows:

Depositions of all parties shall take place on or before May 8, 2008;  
Plaintiff shall provide expert reports no later than June 1, 2008;  
Defendant's expert reports shall be provided by June 22, 2008;  
Discovery shall be completed no later than July 12, 2008;  
Expert Depositions shall be completed by July 12, 2008;  
Plaintiff shall provide its portion of the joint Pre-Trial Order to defendant no later than August 6, 2008;  
The final pre-trial conference in this matter shall be held on July 20, 2008.

Re:

Defendants' request is denied. The deadlines for discovery, expert reports, and depositions, and the dates for submission of the Joint Pre-Trial Order and for the final Pre-Trial Conference shall remain as currently scheduled. However, defendants may depose the newly discovered witness after the close of discovery.

SO ORDERED.
